# Future Story

A “future story” is a plan for the future. Without it, neither schooling nor work has purpose or significance.

<b>FUTURE STORY</b>	<b>NAME:</b>
You are ten years older than you are now. You are the star of a movie. What are you doing? Who is with you?	
Circle any of these that are in your future story: children, job, career, marriage/partnership, health, wealth, travel, living in a city, town, rural area, another country, vehicles, hobbies, sports, music, movies, college, technical school, military, church/religion, Internet, video games, friends, family, other.	
For which of these reasons do you want to graduate from high school?	
Keep track of money, I will know I am getting paid correctly, so I can go on to college or military or technical school, to get a better job, to take care of my parents or siblings, to afford my hobbies, to pay for my vehicle, to take care of my children, other.	
What do you enjoy doing and would do even if you did not get paid for it? What do you need to do so you can do that AND get paid for doing it?	
Who are the friends and adults who will help you get your future story?	
<b>WRITE OUT YOUR FUTURE STORY AND INCLUDE HOW EDUCATION WILL HELP YOU GET IT.</b>
