

CHILDREN'S BILL OF RIGHTS

aha! Process believes in the rights of all children. The following rights are foundational to the well-being of every child and are supported by aha! Process.

EVERY CHILD HAS THE RIGHT:

- **To be safe and reside in a violence free environment**
- **To be nurtured and loved by at least one caring adult**
- **To have appropriate health care**
- **To have nutritious food everyday**
- **To have stable shelter every night**
- **To have an education**

Unqualified support for these rights is imperative to a healthy safe society and the future of our nation. Children are our future.
